

Farmer Mac 2026 Internship Program

Farmer Mac's internship program provides an exciting opportunity for currently enrolled undergraduate and graduate students to gain professional experience and development as well as access to mentorship. With this program, Farmer Mac aims to promote a differentiated experience. Our interns contribute to meaningful, innovative projects and initiatives that align to our business goals.

Our Business

Farmer Mac is driven by its mission to increase the accessibility of financing for American agriculture and rural infrastructure. As a secondary market for our nation's agricultural and rural infrastructure credit, we provide financial solutions to a broad spectrum of customers supporting rural America, including agricultural lenders, agribusiness, and rural electric cooperatives.
