Let’s Talk Credit Reports

- **Scoring model is proprietary**
  - Heavily weighted on credit score
  - Other factors are used, although undisclosed
  - A complete, accurate, and signed application is essential

- **Farmer Mac will pull a credit report on all applicants (hard pull inquiry)**
  - Sellers are not required to pull a credit report, but may do so at their discretion
  - FAMC’s credit report will be used regardless of Seller’s report or score
    - *TransUnion for individuals and D&B for businesses*
  - FAMC will automatically provide the Seller a copy of the credit report(s) on all denials
  - If the Seller needs the credit report(s) on approvals, the Seller should request it (via AgPower communication)
    - *All credit reports will be password protected and uploaded to AgPower*
  - **SPECIAL NOTE:** If an AgXpress loan is denied and later submitted for Fast Track or Full Underwrite, the Seller must pull a credit report and upload to AgPower (i.e., FAMC’s credit report will not be used)

- **Credit scores are an important indicator, but not a guarantee**
  - Applicants with credit scores greater than 720 do not guarantee approval

<td>Less than one business day (ideally within a few hours), subject to a complete and signed application.</td>

<td>The <strong>AgXpress</strong> application must be signed prior to FAMC scoring the request and issuing a credit decision. <table>

<th>ANSWER</th>

<tr>
<td>Does FAMC have to receive a hard-copy of the AAN or be copied on the communication to the applicant(s)?</td>

<tr>
<td>If the Seller approves the applicant(s) through a different program, does an AAN still have to be issued?</td>

</tr>
<tr>
<td>If the loan is approved and a new title holder shows up on the title work, what happens?</td>

AgPower Updates for AgXpress

• **AgXpress checkbox** – New!
  - Check “AgXpress Loan?”
  - Select “FTF – Full Underwrite” for the UW Type field
    - The system requires you to select a UW Type even though it will be treated as an AgXpress transaction
    - If the loan is declined through AgXpress, you may resubmit the loan for consideration under FastTrack or Full Underwrite (more details on this in later slides)

**AgPower Inputs**

- **Complete the application page in AgPower and click “Save”**

- **Fewer tabs appear — New!**
  1. **Complete only the Application and Borrower Info tabs — a significant time savings!**
  2. Upload a signed AgXpress Application to the Communication/Attachment tab
     - A narrative is welcome, but not required
     - No supporting documentation required
  3. “Submit” the application on the Submit Application tab
Special Note: At the start of a new application, if you forget to check this…

AgXpress Loan? ✓

…the standard tabs will appear at the top of the page (as you would see for a Fast Track or Full Underwrite loan).

To correct it, simply check the “AgXpress Loan?” checkbox, and the appropriate tabs will disappear when you refresh the page. (Helpful hint: click on a different tab to refresh!)
AgXpress Approvals

• **Once approved, a Preliminary Loan Approval (PLA) notice will be issued**
  - Seller will receive an email notification from AgPower
  - Comments and conditions regarding the AgXpress approval will appear in the “Other Specific Requirements” section of the PLA
  - PLA’s are good for 6 months (same as Fast Track and Full Underwrite)

• **Next steps**
  - Seller uploads the appraisal and title work upon their receipt
  - **All standard rate lock, appraisal, title, closing, and purchase activities remain the same!**
    - ✓ As normal, the AgPower application should be printed and signed by all applicants at closing
AgXpress Denials

• Underwriter will contact Seller on all denials
• Underwriter will upload the FAMC Denial Notice and a copy of the credit report to the Communication/Attachment tab in AgPower

• Seller is responsible for preparing and issuing an Adverse Action Notice (AAN) to applicants
  • FAMC’s Denial Notice will include all pertinent information for the AAN
  • Seller must upload a copy of the AAN to the Communications/Attachment tab in AgPower within 10 days of receiving FAMC’s denial
  • FAMC will verify the AAN has been uploaded
AgXpress Denials – Loan Resubmission

- **A denied loan may be resubmitted for Fast Track or Full Underwrite**
  - Reminder: Seller will need to pull a credit report (the original FAMC AgXpress credit report will not be used)

- **The process looks like this**
  1. Seller will duplicate the denied application by clicking the “Duplicate Application” button on the Application tab
  2. Seller will be prompted to confirm the duplication (click “Submit to Duplicate” and “OK”)
  3. A new loan record is generated with a new Application ID assigned
  4. The application status on the new record will reflect “New Application” (once the screen is refreshed)
  5. Seller will uncheck “AgXpress Loan?” and select the preferred “UW Type” (Fast Track or Full Underwrite)
  6. Seller will complete all the standard tabs and fields as normally required for the selected UW Type, upload supporting documentation, and submit the loan
