Farmer Mac Solutions

Farm & Ranch Loan Purchase Solution

Access competitive, short and long-term financing for farm operations, rural properties, and production agriculture. You originate and sell eligible loans to us, secured by first lien mortgages. You maintain the client relationships. Preserve capital, attract and retain customers, and minimize credit and interest rate risk.

USDA Guaranteed Loan Purchase Solution

Sell us the guaranteed portions of your Farm Service Agency (FSA) and Rural Development (RD) loans. Benefits include access to a full suite of loan products, attractive rates, and automated online processes. You retain all loan servicing.

Credit Protection Solution

Choose from a guaranteed security solution or a purchase commitment option. With a security solution, we will securitize a set of eligible loans and provide a credit guarantee that ensures payment to the holder of the security. Under the purchase commitment option, you pay an annual fee and we will commit to purchase any of the scheduled loans that default. Processes are streamlined and setup is simple.

Wholesale Financing Solution

Borrow funds through a facility program by pledging eligible agricultural mortgages as collateral. Facility formation is easy to establish and maintain and can be upsized as your business grows. Cost of funds is extremely competitive. Issuances from the facility are executed quickly upon credit approval.
