This Farm & Ranch performance data file (FRPD) provides historical information on a subset of the Farmer Mac Farm & Ranch loan portfolio. The FRPD comprises information regarding [certain] agricultural mortgage loans originated and purchased from January 2003 through February 2026. The information in the FRPD is presented as of March 31, 2026, and is subject to change due to information updates and data corrections. The purpose of the FRPD is to provide transparency to Farmer Mac Farm & Ranch loan performance for our core business in which we underwrite and invest. We validate the database against other reported information on our portfolio as a data check, but the database is for economic analysis and not accounting reporting, and so balances or other information in the database may not fully match what is reported in financial disclosures.

The FRPD is provided for information purposes only and is not intended to provide any prediction regarding the future performance of loans or securities owned or guaranteed by Farmer Mac. Farmer Mac's future performance, including financial performance, is subject to various risks and uncertainties that could cause actual results to differ materially from expectations. The factors that could affect the company's future results
